

Small Towns, Big Ideas

Science Fiction titles that will appeal to age 12 and up by **Henry Melton**. Starting in the here and now, these tales follow the trials of high school aged heroes that take that extra step into the fantastic when something unexpected drops into their lives. Many of the classic science fiction ideas will be explored in a way totally accessible to many readers who “don’t read that kind of stuff”, as well as being an exciting adventure for those who do.
